Pursuant to Amended Senate Bill No. 310, the 133rd General Assembly of the State of Ohio has appropriated funds of which One Hundred Thousand Dollars (\$100,000) has been awarded to the Grantee for implementation costs associated with the Healthy Lake Erie Sandusky Cedar Point Causeway Project, (hereinafter referred to as “Project”).

The General Assembly has identified the Ohio Parks and Natural Resources Fund (Fund 7031), as the fund from which these monies will be disbursed.

The scope of service is set forth in Exhibit A, which is attached hereto and by reference fully incorporated into this Agreement, with the total amount funded subject to this agreement limited to the amount stated above.

NOW, THEREFORE, for the purposes of providing the funds to the Grantee pursuant to Amended Senate Bill No. 310, passed by the 133rd General Assembly, the parties hereto agree as follows:

1. ODNR agrees to provide the Grantee One Hundred Thousand Dollars (\$100,000) via: a) a qualifying advance not to exceed 10% of the total amount of this award, and b) subsequent reimbursements, to be used toward the total cost to implement the Project. In no event shall ODNR's payment to Grantee exceed One Hundred Thousand Dollars (\$100,000). Funds for this Project have been released by the Controlling Board as of < DATE > and encumbered by Contract Encumbrance Record Number < DNR # > and are so certified by the Director of Budget and Management on < DATE >. Obligations of the State are subject to the provisions of Section 126.07 of the Ohio Revised Code. The ODNR reserves the right to confirm compliance with the disbursement schedule and limitations set forth in this Paragraph 1. Any funds provided under this Agreement that are not timely spent shall be returned with interest to the State of Ohio in accordance with paragraph 6 of this Agreement.
2. This Agreement will terminate on 31 December 2022, at which time the Grantee agrees that Phase I of the Project will be completed. Upon written request, and subject to appropriation and renewal of funds by the State of Ohio, the agreement may be renewed by the Parties.
3. The Grantee hereby represents and warrants that there are not now, and there will not be, any restrictions of record with respect to the Project, including without limitation, any encumbrances, liens or other matters, which would interfere with or otherwise impair the use of the property as an in-water coastal wetland created from dredged sediment as a sustainable alternative to open-lake dumping.
4. The Grantee shall be responsible for the administration of the Project. The Grantee shall have the full authority to contract with appropriate persons for the design and construction of the Project. The Grantee will secure all necessary permits and/or licenses for the Project. The Grantee warrants and certifies that it will cause the Project to be constructed with all reasonable speed and reasonably adhere to the submitted development timeline.

5. The Grantee, or its assigns approved by ODNR, shall be solely responsible for the operation, maintenance, and upkeep of the property or facilities acquired or developed pursuant to this Agreement.
6. If for any reason funds and/or interest on such funds acquired through this Agreement are required to be paid, repaid or remitted to the State of Ohio, such shall be remitted in full within forty-five (45) days of demand to:

Treasurer of the State of Ohio
30 East Broad Street, 9th Floor
Columbus, Ohio 43215

Any such remittance shall include a copy of this agreement. A copy of the cover letter transmitting the remittance to the Treasurer of State shall be sent simultaneously to the Auditor of State and ODNR.

7. On and after the date of this agreement, the Grantee agrees not to seek any determination of liability against ODNR in the case of claim or suit arising from the Project including acquisition of property or any future condition, construction, operation, maintenance or use of property or facilities which may be developed in relation to the Project.
8. Prior to release of funds, Grantee will provide ODNR with a document that demonstrates that all employees or agents of Grantee who are responsible for maintaining or disbursing funds acquired through this Agreement will be fully bonded or insured against loss of such funds. The bonding agent or insurer shall be licensed to do business in Ohio. No part of the funds or interest acquired by Grantee through this Agreement shall be spent to obtain bonding or insurance. All funds acquired by Grantee through this Agreement shall be deposited in one or more financial institutions that fully insure, secure or otherwise protect the funds from loss.
9. The Grantee will assure compliance with all applicable Federal, State, and local laws and regulations pertaining to handling, management, and accountability in relation to public funds, competitive bidding for public projects, procurement of equipment and materials, and the like.
10. The Grantee will keep and make all Project-related records available to the state Auditor or the Auditor's designee for a period of not less than five (5) years after the date of Project closeout as described in Paragraph 5 above. The Grantee acknowledges that the Auditor of State, ODNR or OEPA may audit this Project at any time, including before, during and after completion.

11. The Grantee affirmatively states that Grantee is fully aware of the restrictions and guidelines for expending such funds and intends to comply fully with same. Grantee will implement appropriate monitoring controls to ensure that funds acquired through this Agreement and any interest thereon are expended in accordance with all applicable laws, rules and requirements.

12. The Grantee assures compliance with all applicable Federal, State and local laws and regulations, for the Project, including, but not limited to:
 - a. Prevailing wage pursuant to ORC Chapter 4115

 - b. Worker's Compensation

 - c. Equal Opportunity Laws
The Grantee agrees that it will fully comply with all state and federal non-discrimination laws and promptly comply with all requests and directions from the State of Ohio in this regard.

 - d. Domestic Steel pursuant to ORC 153.011

 - e. Environmental and Historical Preservation Laws and Regulations
The Grantee assures compliance with all applicable Federal, State, and local environmental and historic preservation laws and regulations pertaining to the Project.

 - f. Drug-free Workplace
The Grantee agrees to comply with all applicable State and Federal laws regarding a drug-free workplace. The Grantee will make a good faith effort to ensure that all contract employees, while working on Grantee's property, will not purchase, transfer, use or possess illegal drugs or abuse prescription drugs in any way.

 - g. Laws of Professional Design
The Grantee will comply with all laws that may require approval of the Project by a registered professional engineer, surveyor, architect or landscape architect.

13. The Grantee affirmatively represents and warrants to the State that it is not subject to a finding for recovery under R.C. 9.24, or that it has taken appropriate remedial steps required under R.C. 9.24 or otherwise qualifies under that section.

- 14.** The State of Ohio reserves the right to terminate this agreement with 30 days' notice if the Grantee is unable to proceed with the Project described in the Project Agreement, or if Grantee violates any of the terms herein.
- 15.** The Grantee will assure that monies expended under this Agreement are spent in conformity with their intended purpose as provided by Amended House Bill No. 497, 130th General Assembly and Chapters 151 and 154 of the Ohio Revised Code and all other laws that apply to expenditure of monies by the Grantee.
- 16.** This Agreement may be modified if agreed to in writing by both parties.
- 17.** The Grantee, by signature on this document, certifies that it: (i) has reviewed and understands the Ohio ethics and conflict of interest laws as found in Ohio Revised Code Chapter 102 and in Ohio Revised Code Sections 2921.42 and 2921.43, and (ii) will take no action inconsistent with those laws. The Grantee understands that failure to comply with Ohio's ethics and conflict of interest laws is, in itself, grounds for termination of this Agreement and may result in the loss of other contracts or grants with the State of Ohio.
- 18.** No personnel of either Party who exercises any functions or responsibilities in connection with the review or approval of this Agreement shall, prior to the completion of the Work, voluntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge and fulfillment of his or her functions and responsibilities with respect to this Agreement. Any such person who acquires an incompatible or conflicting personal interest on or after the effective date of this Agreement, or who involuntarily acquires any such incompatible or conflicting personal interest shall immediately disclose his or her interest to the other Party in writing. Thereafter, he or she shall not participate in any action affecting the Work, unless the other Party determines that, in light of the personal interest disclosed, his or her participation in any such action would not be contrary to the public interest.
- 19.** The Grantee hereby certifies that neither it nor any of its officers or directors, nor the spouse of any such person, has made contributions to the ODNR or the Governor in excess of the limitations specified in R.C. 3517.13.

- 20.** Each provision hereof shall be separate and independent and the breach of any provision by either party hereto shall not discharge or relieve the other party from its obligations to perform each and every covenant to be performed by it hereunder. If any provisions hereof (or the application thereof to any person, firm or corporation or to any circumstances) shall be deemed invalid or unenforceable by any court of competent jurisdiction, the remaining provisions of this Agreement (or the application of such invalid provision to such persons, firms or corporations or circumstances other than those as to which it is invalid or unenforceable), shall not be affected thereby, and said provisions hereof shall be valid and enforceable to the fullest extent permitted by law.
- 21.** This Agreement and the rights of the parties hereunder shall be governed, construed, and interpreted in accordance with the laws of the State of Ohio.
- 22.** A waiver by any party of any breach or default by the other party under this Agreement shall not constitute a continuing waiver by such party of any subsequent act in breach of or in default hereunder.
- 23.** Neither this Agreement nor any rights, duties or obligations hereunder may be assigned or transferred in whole or in part by the Grantee, without the prior written consent of the ODNR.
- 24.** This Agreement contains the entire agreement between the parties hereto and shall not be modified, amended or supplemented, or any rights herein waived, unless specifically agreed upon in writing by the parties hereto. This Agreement supersedes any and all previous agreements, whether written or oral, between the parties.
- 25.** This Agreement is not binding upon the ODNR unless executed in full and is effective as of 21 July 2020.
- 26.** All notices, consents and communications required hereunder (each, a “Notice”) shall be in writing and shall be deemed to have been properly given when: 1) hand delivered with delivery acknowledged in writing; 2) sent by U.S. Certified mail, return receipt requested, postage prepaid; 3) sent by overnight delivery service (Fed Ex, UPS, etc.) with receipt; or 4) sent by fax or email. Notices shall be deemed given upon receipt thereof and shall be sent to the addresses first set forth above. Notices sent by fax or email shall be effectively given only upon acknowledgement of receipt by the receiving party. Any party may change its address for receipt of Notices upon notice to the other party. If delivery cannot be made at any address designated for Notices, a Notice shall be deemed given on the date on which delivery at such address is attempted.

27. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.
28. Any party hereto may deliver a copy of its counterpart signature page to this Agreement electronically pursuant to R.C. Chapter 1306. Each party hereto shall be entitled to rely upon an electronic signature of any other party delivered in such a manner as if such signature were an original.

IN TESTIMONY WHEREOF, the Grantee and the State have caused this Agreement to be executed by their respective officers duly authorized as of the date on which the Director of the Department of Natural Resources signs this Agreement.
