

**SANDUSKY CITY ECONOMIC
DEVELOPMENT APPLICATION –
SIGNAGE AND FACADE**

CITY OF SANDUSKY

PROGRAM YEAR- 2020

INTRODUCTION

The Sandusky City Economic Development (ED) programs intend to spur and support economic development activities within the City of Sandusky (“the City”). Financial assistance is available for new or expanding businesses and/or property owners that will positively affect the economic and employment climates in the City and broader Firelands Region.

The City strongly believes that investments in economic development activities are vital to job creation and attracting and retaining a talented workforce to fill newly created or available positions. Increased economic development will also stimulate investments in underutilized or vacant buildings and sites – which will strengthen the real estate market, increase property values, create a more walkable community and improve overall quality of life.

SANDUSKY CITY ECONOMIC DEVELOPMENT PROGRAMS

The City’s intention is for its programs to be fair, straightforward, and easy to navigate. **A pre-application meeting or conference call is a requirement of ED assistance.** If you have questions prior to the meeting, please do not hesitate to contact the City’s Economic Development Specialist, John Storey at (419) 627-5783 or jstorey@ci.sandusky.oh.us. **Please note this application and all related materials are subject to public records requests.**

Section I - GENERAL TERMS:

FUNDING AVAILABILITY: Approximately \$500,000 is available for calendar year 2020

USE OF FUNDS: ED Funds can be used for the following purposes:

Fixed Assets: examples include new construction or renovation of existing facilities;

Fixtures: must be real property fixtures (affixed to real estate) and not removable personal property, examples include permanent lighting fixtures and/or permanent shelving;

Pre-Development: examples include architectural drawings, surveys, market studies and environmental due diligence.

ELIGIBILITY REQUIREMENTS: The business/property must be located in the City of Sandusky. ED funds are intended, in most instances, to serve as gap financing. In these cases, applicants, prior to application, should attempt to secure private financing, such as traditional bank financing, to finance the project. A Project is eligible to receive ED funds once every five (5) years; however, distinct phases of the same project are eligible. There will be a limited amount of ED funds available for non-profit organizations. All successful applicants/borrowers must provide proof of the ability to secure ownership of the real estate

or (preferably) a two (2) year lease agreement in which the project is located. **All projects must meet applicable zoning requirements. All projects that need approvals from other departments, such as Planning, must obtain these approvals prior to application review.**

APPROVAL PROCESS: Completed applications will be accepted at any time. The Department of Community Development reviews applications and provides recommendations for approval or denial of grants or loans monthly to the Economic Development Incentive Committee (EDIC) in the month after receiving a completed application. Applications must be received by the 20th of the month to be able to be considered by EDIC in the subsequent month and any requests for financial assistance greater than \$10,000 that are approved by the EDIC will require final approval by the Sandusky City Commission. In this case, we require the applicants to attend the City Commission meeting at which the project is reviewed. For any applications requesting \$10,000 or less, the Department of Community Development has authority to approve or deny such application request(s) administratively.

AVAILABLE FINANCING: In most instances, ED assistance is intended to be a secondary financing source and is not intended to cover 100% of a potential project's cost. In these instances, **all other sources of funding must be documented and in place before any ED funds are disbursed.** Grant proceeds are provided directly to third party contractors or on a **reimbursable** basis to the applicant at the completion of the project. The City will consider adjustments to the awarded grant amount for substantive changes in the project scope only, but this is not guaranteed.

REQUIRED EQUITY: A minimum of 5% owner equity is preferred and will be required in most instances, even when other third-party sources have been secured. The Department of Community Development or the EDIC may, at its discretion, require a higher equity percentage.

GRANT OR LOAN FEES: **Upon recommendation of approval by the EDIC and prior to loan or grant disbursement, the applicant must remit a \$150 fee that will cover the cost of title and credit bureau reports.**

Applicants may be subject to personal background checks and credit reviews and must sign any waivers to allow the City of Sandusky to share information with relevant lending institutions and obtain credit reports. Requests for funding will be denied if applicants have outstanding collections, judgment liens, other court judgments, delinquent taxes or other tax liens. Any previous bankruptcy must be fully discharged prior to submitting an application. Applicants also agree not to disparage the City during the pendency of the application, including, but not limited to social media posting.

No person shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with ED funds.

Section II – PROJECT EXCLUSIONS

Individual program categories may have specific and more restrictive eligibility requirements than those listed in this section. The project exclusions outlined in this section generally apply to all applications and projects regardless of the type of financial assistance being requested.

PROJECT EXCLUSIONS: Projects will not be considered for financing assistance if they involve:

2. Refinancing of existing debts and training costs.
3. Financing of businesses that operate out of a personal residence.
4. Financing of speculative projects, buildings, or activities such as land banking or acquisition of real estate with no planned capital improvements or job creation.
5. Financing of historically unsuccessful ventures or projects with unresolved environmental problems. However, this exclusion does not apply to projects that will address/resolve environmental issues as part of the project scope of work.
6. Financing for businesses with a history of civil rights violations or unfair labor practices.
7. Financing to businesses which are not current with taxes or other loans.
8. Financing to businesses/applicants who are not in good standing on all outstanding forms of City assistance.
9. Financing to projects which cannot demonstrate an ability to repay the loan (if applicable), are intra-family transactions, or involve illegal activities.
10. Financing to projects in which the applicant has ever or currently owns entirely or in part, real estate that is tax delinquent, has code violations, contains non-registered rental units, or is in foreclosure.
11. Financing of projects in which the applicant has been convicted or has a pending conviction of a felony within seven (7) years from the date of application submittal.
