Sandusky Transit System
Criteria for Elderly and Disabled Certification Policy

The Sandusky Transit System (STS) participates in the Ohio Department of Transportation's Elderly and Disabled Transit Fare Assistance Program so that certified eligible passengers are able to receive a fare reduction of one-half (1/2) the full fare for STS Dial-a-Ride transit services.

Any person sixty-five (65) years of age or older meets the "Elderly" criteria for this program and is eligible to receive a fare reduction of one-half (1/2) the full fare for STS public transit services. Proof of age is required (e.g., driver's license, birth certificate, state identification card, Medicare card).

Any person with a mental or physical impairment limiting one or more major life functions as defined by the Americans with Disabilities Act (ADA Act) 49 CFR Part 37 meets the "Disabled" criteria for this program and is eligible to receive a fare reduction of one-half (1/2) the full fare for STS public transit services, with the required documentation (copy of SSI Award Letter or Social Security Disability Award Letter; documentation of enrollment in a sheltered workshop; or a Third Party Statement of Disability).

Any person that wishes to be considered for a half-fare reduction must complete and submit this Elderly or Disabled Application for Half Fare in order to be certified. STS will review each application and any supporting documentation to make a certification determination. If an application is denied, STS will notify the applicant to explain why his or her application was denied. Approved applicants will not be notified by STS. If an application is approved, the applicant's customer file will be updated in STS's scheduling/dispatching software and the applicant will receive a fare reduction of one-half (1/2) the full fare for STS public transit services.

Completed applications, as well as questions about this certification process and/or requests for assistance in completing the application, should be addressed to the City of Sandusky: Division of Transit, 222 Meigs St. Sandusky, OH 44870; Phone (419) 621-8462.

Certifications for applicants requesting a fare reduction for a temporary disability are valid through the stated end date recorded on their most recent application. Applicants with a temporary disability must complete a re-certification application before the stated end date on their most recent application to ensure no interruption in the reduced fare.
