

The City of Sandusky is an aggregator for residents and small commercial customers for the generation portion of their electric bills each month. Currently, FirstEnergy Solutions is the generation service provider.

As a member of this aggregation program, you are guaranteed to save up to 6% off of your "Price to Compare" through April, 2018.

To estimate your savings per kilowatt-hour (KWH) through this program, locate your Price to Compare on your electric bill. Divide your Price to Compare by 100, then multiply by these percentage discounts. The final number is how much you can expect to save each month you use the same amount of electricity.

If you have any questions, please call FirstEnergy Solutions at 1.866.636.3749, Monday through Friday, 8 a.m. - 5 p.m.
