FLORAL MOUNDS

Washington Parks • Washington St. at Columbus Ave.

Washington Park has attracted people to Sandusky's historic waterfront for more than a century. In this park we have continued the century-old tradition of utilizing tropical plants mixed with colorful annuals to create stunning visual effect.

Our commemorative floral mounds located in each of the parks' quadrants have been a focal point and a source of community pride.

For the first time, in 2005, a mound was designated exclusively to be reserved on a weekly basis for \$125 to commemorate an individual's special date such as wedding or anniversary.

"Celebration Mound" received Honorable Mention in the category of *Management Innovation - Special Projects* by the Ohio Parks and Recreation Association.

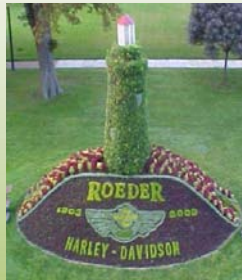

To plant these mounds, the greenhouse staff propagates over 100,000 foliage plants over the fall and winter months.

Since 1908, Sandusky has operated its own greenhouse for the purpose of growing plants to beautify the City.

The Greenhouse is located at 620 Elm Street.

For more information, call the City of Sandusky Information Hotline at 419.625.FUN4 or email cityrec@sandusky.oh.us
